

## Proficiency Test Scheme in Mechanical properties for Cement

### Round 1-2023, PTU-TEST-CEME-ME

S#	Company Name	Laboratory	Address	Test /Material	Report No.	Certificate No.	Issue date
1	Lafarge Cement Egypt	LCE Physical Lab	93 km EL Kattamia – EL Sokhna Rd- Suez	Determination of Compressive Strength, early strength	2-2023	20230001	10/2/2023
				Determination of Compressive Strength, standard strength	2-2023	20230001	10/2/2023
2	ALNAHDA industries Company- ALNAHDA cement plant	Al Nahda Cement Lab &QC &QC Management	Al Nahda Cement Lab &QC Management, K22 Qena-Safaga Road, Qena- Egypt	Determination of Compressive Strength, early strength	2-2023	20230002	10/2/2023
3	Suez Cement Company (Suez Plant)	Suez Laboratory	Wadi Hagol-Attaka-Suez- Egypt	Determination of Compressive Strength, standard strength	2-2023	20230002	10/2/2023
				Determination of Compressive Strength, early strength	2-2023	20230003	10/2/2023
				Determination of Compressive Strength, standard strength	2-2023	20230003	10/2/2023
4	Arabian Cement CO.	Arabian Cement Co. Lab	km 23 Ain Sokhna- Cairo Suez Road - Egypt	Determination of Compressive Strength, early strength	2-2023	20230004	10/2/2023
				Determination of Compressive Strength, standard strength	2-2023	20230004	10/2/2023
5	Titan Cement Egypt- Beni-Suef Cement CO	BCC- Physical Lab analysis	East of the Nil, Bayad El-Arab- Beni-Suef- Egypt	Determination of Compressive Strength, early strength	2-2023	20230005	10/2/2023
				Determination of Compressive Strength, standard strength	2-2023	20230005	10/2/2023
6	Misr Cement Minya	Misr Cement Minya	22 Anwar elmofty street Nasr city Tiba 2000 project- Cairo- Egypt	Determination of Compressive Strength, early strength	2-2023	20230006	10/2/2023
				Determination of Compressive Strength, standard strength	2-2023	20230006	10/2/2023
7	Titan Cement Egypt, Alexandria Portland Cement Co.	Mechanical and Physical tests lab	583, El Moskar Str., EL Mex - Alexandria- Egypt	Determination of Compressive Strength, early strength	2-2023	20230007	10/2/2023
				Determination of Compressive Strength, standard strength	2-2023	20230007	10/2/2023
8	Suez Cement Company (Kattameya Plant)	Kattameya Laboratory	K30-Ain Soukhna Road-Cairo- Egypt	Determination of Compressive Strength, early strength	2-2023	20230008	10/2/2023
				Determination of Compressive Strength, standard strength	2-2023	20230008	10/2/2023
9	TUV Austria Partner	Conformity Assurance Lab	K.25 Cairo- Alexandria desert road, Mergham Elamryaa- Egypt	Determination of Compressive Strength, early strength	2-2023	20230009	10/2/2023
				Determination of Compressive Strength, standard strength	2-2023	20230009	10/2/2023
10	Misr Cement Qena	Physical lab	22 Anwar elmofty street Nasr city Tiba 2000 project- Cairo- Egypt	Determination of Compressive Strength, early strength	2-2023	20230010	10/2/2023
				Determination of Compressive Strength, standard strength	2-2023	20230010	10/2/2023
11	Egyptian Organization for standardization and Quality(EOS)	Building and construction material Lab	16 Tadreeb El Modrbeen, Al Amiryaa- Cairo- Egypt	Determination of Compressive Strength, early strength	2-2023	20230011	10/2/2023
				Determination of Compressive Strength, standard strength	2-2023	20230011	10/2/2023
12	Helwan Portland Cement Company	Helwan Laboratory	Helwan Cement Plant-Kafr Elelw, Helwan, Cairo- Egypt	Determination of Compressive Strength, early strength	2-2023	20230012	10/2/2023
				Determination of Compressive Strength, standard strength	2-2023	20230012	10/2/2023
13	Misr Raymond Foundations (MRF)	Quality Control Laboratory	20 Haroun st., Dokki, Giza - Egypt	Determination of Compressive Strength, early strength	2-2023	20230013	10/2/2023
				Determination of Compressive Strength, standard strength	2-2023	20230013	10/2/2023
14	Assiut Cement Company CEMEX	CEMEX Lab	K.18 Assiut- Alwadi Algadid Road- Egypt	Determination of Compressive Strength, early strength	2-2023	20230014	10/2/2023
				Determination of Compressive Strength, standard strength	2-2023	20230014	10/2/2023
