

3- Quality & testing

On Chemical Field

Training Courses Program In Chemical Analysis field

<i>Ser.</i>	<i>Course Name</i>	<i>Duration</i>	<i>Price</i>
1-	Test Methods of acid	5 days	600 \$
2-	Test Methods of alkaline	5 days	600 \$
3-	Test Methods of Alcoholic Perfumed liquid	5 days	600 \$
4-	Test Methods of Alcohols	5 days	600 \$
5-	Test Methods of water (Drinking water – bottled packaged drinking water – water for low & medium pressure boilers	5 days	600 \$
6-	Biodegradation of detergents	5 days	600 \$
7-	Test Methods of detergents	5 days	600 \$
8-	Test Methods of Shampoo	5 days	600 \$
9-	Test Methods of petroleum products	5 days	600 \$
10	Test Methods of oils (all types)	5 days	600 \$
11-	Test Methods of greases	5 days	600 \$
12-	Spectroscopy chemical analysis by using atomic absorption spectrometer (AAS)of inductive coupled plasma (ICP) . Infrared (Ft-IR) Systems	5 days	600 \$
13-	- Training on X-ray Instrument for chemical analysis field - Training on Optical Emission Instrument for Alloys chemical analysis	5 days	600 \$
14-	Test Methods for paints	5 days	600 \$
15-	Training courses in plastic products	5 days	600 \$
16-	Test Methods of Leather	5 days	600 \$

<u>Ser.</u>	<u>Course Name</u>	<u>Duration</u>	<u>Price</u>
17-	Test Methods of footwear	5 days	600 \$
18-	Test Methods of Sport shoes	5 days	600 \$
19-	Test Methods of Safety footwear	5 days	600 \$
20-	Test Methods of Sole	5 days	600 \$
21-	Test Methods of Ballpoint pens	5 days	600 \$
22-	Test Methods of writing & printing paper	5 days	600 \$
23-	Test Methods of copy paper	5 days	600 \$
24-	Test Methods of Kraft paper	5 days	600 \$
25-	Test Methods of news paper	5 days	600 \$
26-	Test Methods of layers Board	5 days	600 \$
27-	Test Methods of Note books	5 days	600 \$
28-	Test Methods of paper sucks for cement packaging	5 days	600 \$
29-	Physical & Mechanical tests of Manufactured wood - Ply wood	5 days	600 \$
30-	Particle board	5 days	600 \$
31-	Laminated Particle board covered with paper impregnated with Melamine	5 days	600 \$
32-	Wood Fiber board	5 days	600 \$
33-	Test with special nature Test for determination of formaldehyde content	5 days	600 \$
34-	Tests of Adhesives for wood Animal glues	5 days	600 \$
36-	Polyvinyl Acetate – Based Emulsion Adhesives	5 days	600 \$

<u>Ser.</u>	<u>Course Name</u>	<u>Duration</u>	<u>Price</u>
37-	The physical Tests for all types of cement	5 days	600 \$
38-	The Chemical tests for all types of cement	5 days	600 \$
39-	The physical Tests for gypsum	5 days	600 \$
40-	The Chemical tests for gypsum	5 days	600 \$
41-	The physical & Mechanical test for modified water proofing	5 days	600 \$
42-	The physical & Mechanical test for concrete Tiles	5 days	600 \$
43-	The physical & Mechanical test for Marble	5 days	600 \$
44-	The physical & Mechanical test for clay brick Carrier	5 days	600 \$
45-	The physical & Mechanical test for concrete tests for clay brick non-carrier	5 days	600 \$
46-	The physical & Mechanical test for vitrified clay -pipes	5 days	600 \$
47-	The physical & Mechanical test for concrete bricks	5 days	600 \$
48-	Test Methods of all ceramic tiles	5 days	600 \$
