This addendum concerns the notification of the draft of the Egyptian Standard ES 3168-3 " Ceramic tiles -part 3: extruded ceramic tiles " (43 pages, in Arabic)

This standard cancels and supersedes its last edition in 2015.

It should be noted that the Ministerial Decree No. 692/2015 (3 pages, in Arabic) which was formerly notified in G/TBT/N/EGY/111 dated 4 December 2015 mandated among others the earlier version of this Standard.

Worth mentioning is that this draft standard is technically identical with modification of ISO 13006 / 2018.

Producers and importers are kept informed of any amendments in the Egyptian standard through the publication of administrative orders in the official gazette.

¹ This information can be provided by including a website address, a pdf attachment, or other information on where the text of the final/modified measure and/or interpretive guidance can be obtained.

Proposed date of adoption: To be determined.

Proposed date of entry into force: To be determined.
