**Description:** Products covered: Toys (ICS 97.200.50)

This addendum concerns the notification of draft Standard ES 3123-1 "Safety of toys – Part1: Mechanical and physical properties" (179 pages, in Arabic).

It should be noted that Ministerial Decree No.102/2019 (2 pages, in Arabic) which was formerly notified in G/TBT/N/EGY/164/Add.2 dated 15 May 2019, mandated among others the earlier version of this Standard.

Worth mentioning is that this Draft standard is technically identical with EN 71-1:2014+A1:2018

Producers and importers are kept informed of any amendments in the Egyptian standard through the publication of administrative orders in the official gazette.

Proposed date of adoption: To be determined

Proposed date of entry into force: To be determined.

Agency or authority designated to handle comments and text available from:  
National Enquiry Point
