This addendum concerns the notification of the Ministerial Decree No.142/2024 (2 pages, in Arabic) that gives the producers and importers a six-month transitional period to abide by the Egyptian Standard ES 7090 for " uniform provisions concerning the approval of pneumatic tyres for motor vehicles and their trailers " (48 pages, in Arabic)

It should be noted that the Ministerial Decree No. 32/2010 (3 pages, in Arabic) which was formerly notified in G/TBT/N/EGY/23 dated 4 May 2010 mandated among others the earlier version of this Standard and the draft of this standard was formerly notified in G/TBT/N/EGY/23/Add.1 dated 13 October 2023.

Worth mentioning is that this standard is technically identical with Regulation No. 30 of the Economic Commission for Europe of the United Nations (UN/ECE) "Uniform provisions concerning the approval of pneumatic tyres for motor vehicles and their trailers"

¹ This information can be provided by including a website address, a pdf attachment, or other information on where the text of the final/modified measure and/or interpretive guidance can be obtained.
