Description: Products covered: (ICS 71.100.80) Chemicals for purification of water

This addendum concerns the notification of the Draft of the Egyptian standard ES 382-2 "Ethyl Alcohol- part 2: Alcohol Denaturants – Specification" (47 pages, in Arabic).

It should be noted that the Ministerial Decree No. 423/2005 (25 pages, in Arabic) which was formerly notified in G/TBT/N/EGY/3 dated 14 December 2005 mandated among others the earlier version of this Standard.

Worth mentioning is that this draft standard is technically identical with IS 4117/2008.

Producers and importers are kept informed of any amendments in the Egyptian standard through the publication of administrative orders in the official gazette.

Date of adoption: To be determined.

Date of entry into force: To be determined.
