## NOTIFICATION

### *Corrigendum*

The following communication, dated 23 October 2024, is being circulated at the request of the delegation of Egypt.

---

Draft of the Egyptian standard for " Fire-fighting pumps - Fire-fighting centrifugal pumps without primer - Part 2: Verification of general and safety requirements"

In the notification G/TBT/N/EGY/490, the first sentence of Item 6 should read (changes are in bold):

This draft of Egyptian standard covers verification of the general and safety requirements of fire-fighting centrifugal pumps without primer as specified in EN 14710-1:2005+A2:**2008**.
